

HK Tech

Founded by Technologists

CONFIDENCE. SPEED. AFFORDABILITY.

HK Consulting, an engineering staffing company, combines technology and innovation with a commitment to exceed customer expectations. With a "white glove" mindset, HK has been empowering clients with our talent solutions since 2003.

For almost 20 years, HK has successfully delivered direct hire services, contract to hire, mixed-source, and contingent staffing resources in support of specific business and project needs for our commercial and government entities alike. Our client portfolio includes the likes of Young Living Essential Oils, 1-800 Contacts, Ditto, Zendesk, Blue River, Accredible, Qlik, the Airforce, the Army Corps of Engineers, the Veterans Administration, the State of Utah, and many others.

HK Consulting delivers deep expertise, objective insights, a tailored approach, and unparalleled collaboration to help technology leaders confidently face the future. Through innovation, flexibility, and best of breed solutions, let HK Consulting help you save time and maximize value.
